I usually deal with the conflict cases – so once this file is found – I will send the reports on to Mark Larson. I looked for the file w/ JTC, in MKR's office and Adam's office but I am not seeing the file. It is an Evergreen District Court (so brown) file and our PA is 15D02161.

I will keep looking for the file but if any of you have it – please let me know

FYI – Mark – JTC said she remembers you having it in your hands when you were in her office talking about the matter.

Thanks!

Tricia

Ok here is the deal. The very extremely gracious Mark Larson, King County CCD, has agreed to handle the AB cyberst. referral. He would like it mailed directly to him. I told him I do not know if it is fileable or not, but have been told it may require some followup investing by SCSO. I also explained the harassment his office can expect. We agreed that our office does not probably have an actual conflict, but that with ABs repeated attacks on me, almost constant technol warfare against this county and our taxpayers, and ongoing litigation against both, it might be best that another county handle the criminal referral. He knows what they are in for.

I am not sure who has the physical file at this moment? It needs to be mailed to Mark L.
