NARRATIVE

I (Detective Sergeant S. Gillebo #10330) am a fully commissioned law enforcement officer, employed by the Port of Seattle Police Department as the Criminal Investigative Division Sergeant.

On 05-21-15, I was working at the Sea Tac International Airport for the Port of Seattle Police Department. At approximately 1540 hours, I received a call from King County Sherriff's Office Detective Coblantz. Detective Coblantz requested assistance in the service of a Temporary Protection Order and Notice of Hearing - Stalking out of Shoreline District Court No. 156-695. Detective Coblantz stated that they have made attempts to serve the respondent, Anne K. Block (DOB 06/16/1967) out of Gold Bar without success.

Detective Coblantz provided information that Block would be returning on 05/24/2015 from LHR London Heathrow UK to SEA Seattle, WA on international flight #BA53 arriving at 1130 hours Pacific Standard Time. Detective Coblantz also provided a copy of the Temporary Protection Order and Notice of Hearing - Stalking out of Shoreline District Court No. 156-695. I viewed that the order was signed above the area for the Judge/Protem on 05/04/15 at 2:45 PM. I was unable to read who the signing official was by the signature. I read the petitioner was a Lori Batiot who is a Sgt. with the Duvall Police Department. I also saw attached was a Reissuance of Temporary Order for Protection and Notice of Hearing (Harassment) No. 156-00695 on 5/15/2015 at 0913 hours that was signed by a different signing official. Also provided was a DOL photo of Anne Block.

On 05-21-15, I requested from dispatch a Port of Seattle Police Department case number to document this outside agency assist for paper service. I received case number #2015-020054 from dispatch. I completed a case report and provided a copy of the Temporary Protection Order and Notice of Hearing - Stalking out of Shoreline District Court No. 156-695 for service by POSPD Patrol Officers on Sunday 5-24-15. Also attached to the order was a Return of Service.

I certify or declare under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

NARRATIVE

On 5/24/2015, at approximately 1023, I was working as unit 1P1 at Seattle Tacoma International Airport (STIA), County of King.

I was dispatched to the Customs and Border Protection office at the South Satellite of STIA to serve a Temporary Protection Order and Notice of Hearing - Stalking, to Anne K. BLOCK.

BLOCK was due to arrive at STIA at approximately 1130 via British Airlines flight #53. I worked with officer Curtis CHEN of the Customs and Border Protection office to ensure that we did not miss BLOCK as she entered the U.S.

CHEN told us that he could put a notice in BLOCK's paperwork that would flag when her passport was scanned. CHEN told us that he would bring BLOCK to the secondary screening area of STIA, where we could serve her with the order.

CHEN identified BLOCK with her U.S. Issued Passport and I identified her with her WA State Driver's license photo.

Once identified, BLOCK was brought to the secondary screening area where I was able to hand her the papers and notify her that she had been served.

BLOCK took the papers without issue.

I completed the Return of Service paperwork, scanned it, and emailed it to the Port of Seattle Dispatch center. This order has been completed and entered as SERVED.

I certify or declare under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

The respondent has committed acts of harassment or stalking as follows:

A. Describe the most recent incident of harassment or stalking.

Date and time (on or around): April 19, 2015

Location: Home & Work, as set forth more fully below.

What did the respondent do or say that you believe to be harassing or stalking behavior?

I am a 17-year veteran law enforcement officer and am a Sergeant with the Duvall Police Department. On March 17, 2015, Crystal Pennington and John Pennington came to the Duvall Police Department to report ongoing harassment/stalking by respondent Anne Block. The details of the reported harassment are set forth in the incident report I drafted, a true and correct copy of which is attached hereto as **Exhibit A**. The Penningtons reported that they and their co-workers, friends, family, business associates, and childrens' schools had been repeatedly contacted by Block and/or investigators working for her. The Penningtons also reported that investigators working for Ms. Block went to their house when they were not home and convinced their young daughter to open the door and speak with them. This intimidated and frightened the Penningtons and their daughter. Ms. Block is suing the Penningtons and a host of other individuals and entities in the US District Court for the Western District of Washington at Seattle, Cause No. C14-0235 RAJ. For this court's reference, I have attached a copy of a declaration filed by counsel for Snohomish County (**Exhibit B**) and an order entered by Judge Richard Jones (**Exhibit C**), which document Ms. Block's conduct. I am providing the Court with this information because it provides important context to Ms. Block's conduct directed towards me, which is clearly a continuation in a pattern of harassing behavior. Although I have interacted with them professionally a couple of times, I have absolutely no friendship or social relationship with the Penningtons.

Ms. Block maintains an online blog called the "Gold Bar Reporter". Attached as **Exhibit D** is a copy of her April 13, 2015 posting, which includes a photograph of me and contains false allegations directed at me.

These contacts have been through both direct and third party contacts, and through numerous electronic communications and other means. She has named me as party in what she believes to be a "RICO" lawsuit. She has emailed council members with information meant to embarrass and intimidate me, as well as naming them in the same "lawsuit".

On April 12, 2015, I called a number of phone numbers potentially belonging to Ms. Block in order to interview her about the Penningtons' stalking/harassment complaint. This was the first time I had ever tried to communicate with Ms. Block. I left Ms. Block messages relaying my desk phone number, department business phone number, department cell phone number, and department email as contact information. She did not attempt to contact me regarding the investigation. I left a message at one point when I was trying to reach her in which I stated that if I was unable to reach her by phone I might try to contact her at the last known address given for her. I also stated that I was trying to get her version of events for an investigation and would have to move on with the case based solely on the information I had so far if I could not reach her. I have worked many cases over my career and this attempt to contact Ms. Block was consistent with any other fair and thorough investigation.

Within minutes of attempting to contact Ms. Block, I began receiving messages from her requesting records relating to the Penningtons. The emails were not responsive to my attempts to get information for my investigation. I received these messages through department email (lori.batiot@duvallwa.gov) and on my department issued cell phone (206-391-3306). I received an email message from "GBR goldbarreporter@comcast.net", Ms. Block's blog website, at 1608 hours on April 12, 2015. I sent one reply at 1613 hours which stated:

"Ms. BLOCK,

I am attempting to contact you for your side of events involving allegations against you. Please contact me immediately to give your version of events. Otherwise I will be forced to forward the case to the prosecutor to review for charges based only on the information I have so far.

You may reach me at the same number I just left for you. Though you have apparently received the voice mail I left for you, I would ask again that you call me at 425-939-8004.

I received another email from Ms. Block at 1718 hours, requesting records about the Penningtons. Ms. Block did not try to contact me about the investigation through any of the several work contacts she had clearly received. This demonstrated to me that she was not going to cooperate in the investigation and I did not attempt to contact her further.

Soon I began receiving text messages to my work phone through a Twitter account that I also recognize from the investigation as belonging to Ms. Block. The messages read as follows:

On April 12, 2015 at 1842 hours @Lightscomingon:@Duvall_Police more public records in support of pedo from a La Munchia criminals records <http://t.co/gOFVBAtyqQ/s?3Mrbm.twitter.com/i/connect>

@snorthnews (emoicons of sunshine blowing kisses and numerous grey clouds)

On April 13, 2015, Ms. Block posted a link to Twitter under the name of Gold Bar Reporter. The link prominently features a picture of me that appears to have been taken from the city web page. In it she accuses me of unspecified RICO violations and of violating her civil rights.

On April 13, 2015 at 1924 hours @Lightscomingon@Duvall_Police@SnoCoReporter Officer Batoit Duvall hires police offices w/ past DUIs? Oh boy this just getting 2 good! A drunk violates

my civil Rights

On April 13, 2015 at 1841 hours, Ms. Block wrote on the Duvall Police Department Facebook page. There was a posting of me sitting with a troop of Daisy Scouts. Ms. Block wrote, "Ms. BATOIT [sic] you should be ashamed of yourself for taking pictures of young children and placing them online! Are you stupid? Do you now know there are pedophiles who prey on our children!!!! Stupid is as stupid does. Just unbelievable [sic]! Might try taking a few classes at the local community college."

Ms. Block has clearly stated that she is aware that I am a police officer in the City of Duvall in King County.

On April 14, 2015 at 0800 hours, I received a phone call on my personal, unlisted cell phone number from male who stated that he is working for client Anne Block. When I answered the phone the investigator asked for me simply by my first name, "Lori." A screenshot of that call is attached as Exhibit E. When I asked to whom I was speaking, he told me he was Neil Harrison and that he was an investigator calling to ask me questions for his client. I immediately recognized that this was likely one of the same people Ms. Block had sent to the Penningtons' residence last month. Mr. Harrison chuckled as he told me that he wanted to ask me questions and that he would try to keep me from going to federal prison. Mr. Harrison stated that he was working for Anne Block. I informed him that he should be aware that she was being investigated for criminal offenses (this would be the stalking case against the Penningtons) and that he needed to be cautious that his actions did not aid and abet Ms. Block in her suspected criminal activities. I obtained Mr. Harrison's business and contact information and told him I was no longer handling the case against Ms. Block and that if he wished to have any further contact about the matter it would need to be through my Commander, my Police Chief, or our legal representation.

I also told Mr. Harrison very clearly that I found his and Block's behavior alarming. I demanded that he and Block make no further attempts to directly contact me or my family and that they were to stay away from my house, schools, or any other place that cause my family and I to be placed in fear by their harassment. I believe the act of finding and calling my personal number is threatening and it places me in fear of Ms. Block and her hired help. It demonstrates that Ms. Block and her hired investigator can find and contact me in my personal life outside the scope of my workplace. This conduct led me to conclude that Ms. Block demonstrated her ability to contact me in my private life on a private phone line in order to intimidate and harass me. There was absolutely no other reason that Ms. Block would have needed to have contacted me through that number, given that I had previously provided her with every other available means to contact me at my workplace. I believe that Ms. Block has directed her stalking behavior toward be to retaliate against me for carrying out my duties as a police officer as well as to interfere with my ability to continue to function as an officer.

Soon after Ms. Block's investigator contacted me on my private cell phone, I began receiving more Twitter messages on my department cell phone. These messages read as follows:

UPDATE:Duvall officer Lori Batoit threatens investigators w/ criminal prosecution, she is now a
RICO member

At 1315 hours on April 14, 2015, Ms. Block submitted another public records request to the City
of Duvall, requesting my personal cell phone records.

On April 19, 2015 at approximately 0200 hours, I was asleep in my residence and was awoken
by something. I moved to another room and then started to fall back to sleep. I was awoken
again by the sound of knocking on the door of my residence. My dog was alert and growled.
There was a pause in the knocking and I listened to see what would happen next. Someone
began knocking again. It was a clear and deliberate knocking at my front door. I tried to look
out from an upstairs window to see who it was, but I did not have a clear view of the area. I
moved to a lower floor and armed myself with a butcher knife. I waited and did not hear
anything. Finally, I moved to the ground level floor and was able to see out through a peephole.
There was no longer anyone there. This has never happened to me at my residence before.
Due to the timing and based on Ms. Block's alleged prior conduct toward the Penningtons, I
believed the person knocking on my door was either Ms. Block or someone acting on her
behalf. I called 911 and spoke with a dispatcher. I briefly explained what had happened and
asked to have a deputy come to check the area to make sure no one was still outside. I made a
report to the King County Sheriff's Office (KCSO). See case KCSO case 108902 for
information.

On April 19, 2015 at 0938 hours, about seven hours after the knocking on my door, I received
the following email:

Ms Batoit-

Information coming in on your relationship with wife/child abuser
John E Pennington is not looking good. Police records confirm
that you failed to charge Johnny ole boy when he tampered with
USPS mail, abused Hill's daughter Jayden, interfered with Ms
Slocum's custodial rights, Hill charged a police officer violently in
one report, and the list goes on.

By the evidence collected so far we can infer that what you job
was for the Enterprise.

The Gold Bar Reporters would like comment from you before
additional articles are published, and of course before the public
emails between you and abuser Johnny ole boy are partially
released; for sure I will go after your personal emails and your
personal cell phone records under the public records act because
I believe you are one corrupt public officer.

On April 24, 2015 at 0235 hours, I received another phone call on my work cell phone from a restricted (blocked) number. Initially, I could not hear anything, but then the caller finally said, "hello." The caller seemed to be trying to alter his/her voice and claimed he/she had dialed the ~~wrong number, but did not hang up. I asked repeatedly who was calling. The caller finally gave~~ a muffled answer that sounded like "Ted". I then hung up the phone. The call was approximately 36 seconds long. I believe the caller was Ms. Block. A screenshot of that call is attached as Exhibit F.

I am aware that Ms. Block has hired people, including Mr. Harrison, to go to the Penningtons residence as recently as last month. I am aware of two of these incidents because they were reported to the Duvall Police Department. As set forth above, in those incidents, Ms. Block made face-to-face contact with the Pennington children at the door. I am afraid that she will do the same to me as this seems to be part of the pattern of intimidating techniques she has used. I am very concerned that about the safety of my own family. I do not know how far Ms. Block's stalking behavior will go or for how long it will continue. This knowledge, combined with Mr. Harrison's demonstration that he will contact me in my personal life, is extremely concerning to me and is causing me to feel emotional distress and fear for myself and my family.

Under the totality of these circumstances, I have started keeping a firearm in my home – something I have never done prior to April 2015. I have also installed video surveillance for my residence. I also notified my child's school out of concern that Ms. Block would try to harm or intimidate my child to further intimidate me.

Ms. Block's conduct has also interfered and influenced my ability to carry out the Pennington investigation and otherwise perform all the duties of my job.

How did the respondent make these statements? ☐ in person ☐ mail/written notes
☐ e-mail ☐ text ☒ phone ☒ social media (such as facebook and twitter)
☐ other (describe): _____

B. Describe other incidents of harassment or stalking. For each incident, include the date, time (on or about), location, what was said, how statements were made, and what was done to a victim.

See Section 5A above.

6. How did the incidents you describe above make you, the minor, or the vulnerable adult feel?
I feel afraid for my personal safety, as well as the safety of my child. Ms. Block's conduct has negatively impacted my ability to perform my duties as a police officer. I feel as though she is engaging in a patten of harassment and cyber-stalking in order to try to deter me from investigating the Pennington complaint. I also worry that Ms. Block and/or her investigators will attempt to contact and intimidate my child, either at my residence or at my child's school.

7. Has the respondent used, displayed, or threatened to use a firearm or other dangerous weapon in a felony? Please describe:

Not to my knowledge.

8. Has the respondent previously committed an offense that makes him or her ineligible to possess a firearm under the provisions of RCW 9.41.040? Please describe:

Not to my knowledge.

9. Does possession of a firearm or other dangerous weapon by the respondent present a serious and imminent threat to public health or safety, or to the health or safety of a victim?
Please describe:

N/A

10. Do you have any evidence of the harassment or stalking conduct other than testimony?

☒ No

☐ Yes. I have attached the following evidence:

- ☐ Copy of mail or written notes
- ☐ Copy of text messages
- ☐ Copy of emailed messages
- ☐ Copy of social media messages
- ☐ Police report

☐ Declaration or Affidavit from the following witness: _____

☐ Other (describe): _____

11. Has/have the victim/s or the respondent ever requested or obtained protection from the other person in a restraining order, civil protection order, or criminal no-contact order?
If yes, list the type of order, the name of the court and the approximate date, and whether the request was granted:

No.

12. Is there any other litigation between the victim/s and the respondent? This includes all matters - pending or past - such as parenting plans, landlord-tenant disputes, employment disputes, or property disputes. If yes, provide case number/s if known, type of case, and name of court:

Yes. Ms. Block recently filed a tort claim with the City of Duvall, alleging that I violated her First Amendment rights in the course of my investigation of the Penningtons' criminal complaint against Ms. Block.

➤ Requests

13. I ask the Court for an order approving the following requests for protection:

I Request an **Order for Protection** following a hearing that will:

<input checked="" type="checkbox"/> No-Contact: restrain the respondent from making any attempts or having any contact, including nonphysical contact, with the person/s to be protected, directly, indirectly, or through third parties regardless of whether those third parties know of the order, except for mailing of court documents.
<input checked="" type="checkbox"/> Surveillance: prohibit or restrain the respondent from making any attempt to keep or from keeping the person/s to be protected under surveillance, including electronic surveillance.
<input checked="" type="checkbox"/> Exclude from places: exclude the respondent from the <input checked="" type="checkbox"/> residence <input checked="" type="checkbox"/> workplace <input checked="" type="checkbox"/> school <input type="checkbox"/> day care of the person/s to be protected.
<input checked="" type="checkbox"/> Stay Away: Prohibit or restrain the respondent from entering or being within, or from knowingly coming within, or knowingly remaining within 1,000 feet of the <input checked="" type="checkbox"/> residence <input checked="" type="checkbox"/> workplace <input checked="" type="checkbox"/> school <input type="checkbox"/> day care of the person/s to be protected. <input type="checkbox"/> other locations: _____
<input type="checkbox"/> Other: _____
<input type="checkbox"/> Evaluation: Order the respondent to have a <input type="checkbox"/> mental health <input type="checkbox"/> chemical dependency evaluation. <input type="checkbox"/> other: _____
<input type="checkbox"/> Pay Fees and Costs: Require the respondent to pay fees and costs of this action, which may include administrative court costs and service fees and petitioner's costs including attorneys' fees.
<input type="checkbox"/> Surrender Firearms: Require the respondent to surrender any firearm or other dangerous weapon, or any concealed pistol license and prohibit the respondent from obtaining or possessing a firearm or other dangerous weapon, or a concealed pistol license.

☒ **Duration:** Remain effective longer than one year because respondent is likely to resume acts of unlawful harassment or stalking conduct against the persons to be protected if the order expires in a year.

Emergency temporary protection (up to 14 days) until the court hearing:

☒ An emergency exists as described below. I request that a Temporary Protection Order granting the relief requested above for a no-contact, surveillance, exclude from places, or stay away order be issued immediately, without prior notice to the respondent, to be effective until the hearing.

☐ I also request a temporary surrender of a firearm or other dangerous weapon without notice to the other party because irreparable injury could result if an order is not issued until the hearing.

What irreparable harm would result if an order is not issued immediately without prior notice to the respondent?

I am afraid Ms. Block will continue to email and call me if she is not ordered to immediately cease all contact. I fear that she or her investigators will attempt to contact my child or family members in the same way they did to the Pennington children.
