Mark - Got this from Dave Gossett this afternoon (not sure why he directs this stuff to me, but probably still thinks of me in relationship to the old master plan). Anyway, thought you should have this. I believe you met with Ericks today so I don't know if these questions relate to what is planned for the presentation. Talk to you in the morning.

I've attached some questions for the architects/consultants about how the plans and cost estimates were developed. I would find it helpful to know the answers to these questions during the presentation. If they desire to

provide the information in writing prior to the meeting so as to not have to go into this level of detail in the briefing that would be fine. Thanks.
