Dear Ms O'Dell

Re *Guardianship of Paula Fowler*
Stevens County Cause No 2006-4-00094-9

I've taken a look at your recently filed report, accounting and proposed budget and had a couple of requests before approving them

First, as last year, I think I have an obligation to have you provide the cancelled checks associated with the bank statements So, if you could get those up to the Clerk I would appreciate it

Second, I am concerned about the ATM transactions I know that you are a limited guardian but am needing some clarification as to how that is handled and what kind of involvement you have in "counseling" with Ms Fowler about the use of her "allowance" If you could explain that more fully, I'd appreciate it I would also like some assurance from you that those are ATM withdrawals made by Ms Fowler and of course not by you To the extent that they are made by someone else, I would be concerned about the use by someone else (such as Ms Fowler's husband)

I would also like a status report (other than the one I can see on SCOMIS, which I've looked at in terms of what's been filed) as to the dissolution action

I was very gratified to see that some protections had been obtained in relation to Ms Fowler's trust monies That must have taken quite some effort

Finally, if your sense at some point is that Ms Fowler is in need of more intensive guardianship services I would suggest that you at that time request the appointment of a GAL to do a report and/or obtain some additional medical reports to assess that situation

Thank you for your attention to this matter, and I appreciate your efforts in this case

Very truly yours,

Rebecca M Baker
