According to your e-mail : You stated "You are no longer the guardian" Please give me the document # in the case #2006-4-0009-49. I have the entire case file and have not seen any document signed by Judge Monasmith releasing the guardianship. My understanding is until the Appeal is complete the case in Stevens County cannot be closed .

Fourth Request: For Attorney Fees for Appeal YOU Filed

You have refused to answer my question: Are you going to release funds from my TRUST so I can hire a attorney of my choice to represent me at the Appeals ?

Please Respond
